

ROSEHALL SHEPHERDS NEWSLETTER

SPRING LITTERS

We are currently taking reservations for our spring “dream” litters. This spring, we plan on breeding two litters: **Narnia's Abraham of Rosehall and Rosehall's Treasure Chess** and **Rosehall Awoken Drakos and Rosehall Josee's Re'ah**.

Both pairs of males and females are family-friendly dogs. Abe and Chess will produce low to medium-low-drive pups. Fen and Re' will produce medium to medium-low-drive pups. We currently have three males and three females reserved for the Abe and Chess litter. Depending on the size of the litter, we may have more of their pups available.

We currently have three female pup reservations open for the Fen and Re' litter. You can find photos of parent dogs on our [Dream Litters page](#) and our [Males](#) and [Females](#) pages.

Contact Emily at 931-248-4141 for more information on upcoming litters and to reserve your spot for one of our family-friendly, old-fashioned German Shepherd dogs.

NEW WEBSITE

We are currently working on a new website, which is almost completed. Our new website content will include everything that is on our current website, plus:

- An updated Education page
- Important Info, where you will find our contact information, contracts, pricing, FAQs and how our puppy picks work at Rosehall Shepherds
- Our new blog, [Straight-Back Bark](#), where you'll find articles on training, care, just-for-fun blogs and more.

We are also working on our new Foundation pages, where you can see our foundation dogs, though these pages will always be a work in progress as we add more dogs over time.

Contact Emily at 931-248-4141 for more information on upcoming litters and to reserve your spot for one of our family-friendly, old-fashioned German Shepherd dogs.

OUR RECENT BLOGS

Make sure you keep up with our informative blogs. Our most recent blogs include:

- [The Impact of Exercise on Your German Shepherd Pups](#)
